

Dear Friend,

We are excited to announce that we have chosen August 5, 2017 from 8 a.m.-2 p.m. for our 3<sup>rd</sup> Annual Outdoor Flea Market. A rain date is set for August 12, 2017. You may arrive as early as 6 a.m. to set up. We hope you will be joining again this year!

Rental for a 15' x 15' space will be \$30 (check made payable to Westminster Presbyterian Church Flea Market). You may bring a canopy or awning and any type of display that will fit within your designated space.

**Absolutely no guns, ammunition, knives, adult materials or ready-to-eat food will be allowed to be sold.** Please remember that you are responsible for removing any unsold items and trash from your space. You will be given a trash bag at registration to help with this.

Once your registration fee and form have been received, you will receive a confirmation by email, if you have supplied one, otherwise by mail. You can request a specific spot and we will try our best to fill your request. Spaces will be assigned according to the date your reservation is received and not according to your arrival time that day. No changes will be made that day.

When you arrive that day, please check in under the canopy. Be prepared to unload your vehicle as quickly as possible. We will then ask you to move your vehicle to the medical office parking lot across the street. This will free up our lot for shoppers.

Food will be sold in the church building all day. Donuts, coffee, water and pop will be available to purchase in the morning. Lunch items will be sold beginning at 11 a.m. You are free to bring your own lunch and beverages if you prefer.

If you are coming from out of town you will take Larkin Ave. North exit off Rt. 80. Just past the 5th stop light (Black Road) you will see us on the right side of Larkin Ave.

If it is raining or rain is eminent at 5:00 a.m. we will cancel and go to the rain date of the 12th. Please watch the weather reports. For those of you out of town, if the weather looks uncertain you may call Penny at 815-545-1823 after 5:00 a.m. Please do not call before then.

We look forward to seeing you! If you have questions between now and then please call the church office at 815-725-6687.
